ABOUT OUR PIES ...

- ❖ Our pies are 9 inches in diameter and come individually packaged in their own corrugated box. They can be divided into 6 - 8 slices!
- ❖ Our pies are made with the finest ingredients and baked right before they are delivered to you. Our pies DO NOT arrive unbaked or frozen. *It is important that your organization deliver the products the same day they arrive from us.*
- ❖ Cream pies should be refrigerated. Cream pies should last 4-5 days if refrigerated. Cream pies can be frozen. We recommend placing it back in its original box. Cover the entire box with a plastic bag or wrap for best freezing results. Cream pies may be frozen approximately 3 weeks.
- ❖ Our fruit pies have a shelf life of 1 day without refrigeration. Refrigerating our fruit pies will make them last about 5 days. Fruit pies can be frozen. We recommend placing the pie in a freezer bag and placing it back in its original box for best freezing results. Fruit pies may be frozen approximately 1 to 2 months. Pies frozen longer than 2 months aren't harmful – they just aren't at their peak flavor and texture.
- ❖ To thaw a cream pie, remove the plastic bag or wrap and place in your refrigerator for at least 24 hours and then serve.
- ❖ To thaw a fruit pie, remove from the box and freezer bag. Immediately place it in a 350°F oven for 25-30 minutes and then serve.

ABOUT OUR PUMPKIN ROLLS ...

- ❖ Each pumpkin roll is about 6 ½ inches long, providing about 8 to 10 servings and comes individually packaged in its own corrugated box.
- ❖ Our pumpkin rolls have a cream cheese filling and must be refrigerated. They should last 4-5 days.
- ❖ Our pumpkin rolls can be frozen. For best results, keep them in saran and place them back in their original box. They may be frozen for approximately 1 to 2 months. Pumpkin rolls frozen longer than 2 months aren't harmful – they just aren't at their peak flavor and texture.

ABOUT OUR CINNAMON ROLLS ...

- ❖ *CINNAMON ROLLS MUST BE DISTRIBUTED THE SAME DAY THEY ARE DELIVERED TO YOUR ORGANIZATION.*
- ❖ Our cinnamon rolls come packaged in corrugated boxes of a half dozen.
- ❖ Store the cinnamon rolls in a ziplock bag for freshness. They taste best when reheated in foil in a 350°F conventional oven for 10 to 12 minutes. Microwaving a single cinnamon roll for 15 seconds also works.
- ❖ Our cinnamon rolls can be frozen. For best results, place them in a freezer bag then back in their original box. They may be frozen for approximately 1 to 2 months. Cinnamon rolls frozen longer than 2 months aren't harmful – they just aren't at their peak flavor and texture. Wrapping the cinnamon rolls individually for freezing, then removing them as needed and reheating them makes for a delicious breakfast snack!
- ❖ Cinnamon rolls are **not** available November through December 2021 and April 2022. Our high volume of pies during those holiday months does not permit us the oven space we need to have cinnamon rolls available as well.

ABOUT OUR SNAILS ...

- ❖ Snails are made from strips of pie dough, rolled with cinnamon and sugar. They look a little bit like a snail and taste great dunked in coffee. They come in bags of 1 dozen snails. They can be frozen.

ABOUT OUR PIE VARIETY PACK ...

- ❖ Our pie variety pack consists of 4 small four inch pies. There are four different flavors: apple, cherry, blackberry and razzleberry.
- ❖ These pies have a shelf life of 1 day without refrigeration. Refrigerating them will make them last about 5 days. They can be frozen.
